

Comment Procedures

Proposed Lost River Site 16

The Natural Resources Conservation Service (NRCS) is soliciting comments regarding the preparation of an Environmental Impact Statement (EIS) for the proposed Lost River Site 16 watershed impoundment on Lower Cove Run. Individuals, groups, governmental agencies and other entities are invited and encouraged to submit comments pertaining to the proposed flood reduction and water supply project. Alternatives currently identified to be addressed in this EIS include:

- No Action Alternative
- Alternative 1, Construction of Site 16

Comments are requested to identify public and agency concerns, environmental issues and alternatives to be discussed in the Draft EIS. Name and mailing address is requested to accompany comments.

Comments may be submitted by three methods:

1. At this workshop

- Forms at this table may be used to provide comments.
- Place completed form in box.

2. Email

- Submit comments to Louis.Aspey@wv.usda.gov.
- Comments should be received by August 15, 2006.

3. Regular mail

- Submit comments to: USDA – NRCS
75 High Street, Room 301
Morgantown, WV 26505
Attn: Lost River Scoping Comments
- Comments should be postmarked by August 15, 2006.
